Above the River: The Complete Poems

James Wright

Above the River: The Complete Poems James Wright

One of the most admired American poets of his generation, James Wright (1927-80) wrote contemplative, sturdy, and generous poems with an honesty, clarity, and stylistic range matched by very few--then or now. From his Deep Image-inspired lyrics to his Whitmanesque renderings of Neruda, Vallejo, and other Latin American poets, and from his heartfelt reflections on life, love, and loss in his native Ohio to the celebrated prose poems (set frequently in Italy) that marked the end of his important career, *Above the River* gathers the complete work of a modern master. It also features a moving and insightful introduction by Donald Hall, Wright's longtime friend and colleague.
