Gareth Powell is sure he's hit the big time. Any average kid who receives anonymous love letters has taken the leap, as far as he's concerned. He's narrowed the identity of his secret admirer down to his school's three hottest, most spectacular boys, and yet his best friend Sheldon is sure that the odds are against him. Gareth is sure that fate is in his favor, though. In this gay young adult romance, Gareth discovers that love that's worth having doesn't always come from where you would expect.
