The Dark Lord is confounded when he awakens in the middle of a small town on a planet he's never seen before. What is this strange place, why do they keep calling him Dirk Lloyd, and why is he powerless against these earthlings who insist on finding his parents? Could it be that Dirk Lloyd is really a human incarnation of the Dark Lord who, after a cataclysmic final battle with his arch nemesis, was hurled into the Pit of Uttermost Despair, aka Earth? Or is he just a lost and confused boy? The Dark Lord *must* regain his rightful place in the universe before his powers of domination and destruction are lost forever, and help comes from a most unlikely source . . . a human friend.

Readers will delight in this wickedly humorous tale as the Dark Lord-the Incarnation of Evil, The World Burner-finds that even he might have a good side.
