This radical book reveals the real, historical Jesus – and reminds us what he actually said.

Who was Jesus Christ? Was he God in human form? Was he the divine Son of God, conceived by a virgin, who came down to earth to found the one true religion? This is what the Church has been preaching since the Middle Ages, but the Church's portrait is a far cry from the Jesus Christ described in the New Testament.

*For Christ's Sake* is Tom Harpur's classic study of what the Bible actually tells us about Jesus. Controversial and radical, in that it goes to the roots of what is *known*, Harpur's book strips away the mythology about Jesus to reveal a man whose message is still fresh and relevant today.
