Things get weirder – and even more perilous – for Tim, Coral and their friends from outer space. With the Eltherians' ship destroyed, the slimy, slug-like, mind-reading Sentinels formulate a fiendish plan to exterminate them all, one by one.

There's prying journalists, remarkable revelations, fearsome flesh-eaters, and a battle that will knock your socks off!

Picking up from where *Too Many Zeros* left off, *Lair of the Sentinels* continues the adrenaline-filled excitement and heart-stopping action.

Now the adventure continues ...

"A rollicking good read for pre-teenage children and their parents. It's funny, fast-paced and captivating. A real page-turner."

-- Maggie Rainey-Smith

This exciting, witty and highly imaginative adventure/science fiction novel is the second book in the *Forty Million Minutes* series.
