New International Biblical Commentary: Deuteronomy (Old Testament Series) Christopher Wright
The NEW INTERNATIONAL BIBLICAL COMMENTARY offers the best of contemporary scholarship in a format that both general readers and serious students can use with profit. Based on the widely used New International Version translation, the NIBC presents careful section-by-section exposition with key terms and phrases highlighted and all Hebrew transliterated. A separate section of notes at the close of each chapter provides additional textual and technical comments. Each commentary also includes a selected bibliography as well as Scripture and subject indexes. "This is a volume that moves the art of Old Testament commentary forward. His vigour of style and argument makes it more than mere commentary, but a work of theology itself. In Chris Wright, Deuteronomy has found an exponent who has shown its power and relevance to the modern world, and who even borrows some of its passion in its own writing." Gordon McConville, Cheltenham and Gloucester College of Higher Education. CHRISTOPHER WRIGHT is the Principal of All Nations Christian College, in Ware, United Kingdom. He taught for five years in the Union Biblical Seminary in India. He received his Ph.D. from Cambridge University and is ordained in the Church of England.
