Griffin Cadogan is surprised when Avani Monroe, the sworn enemy of his dragon family, walks into his gym. With his mating phase approaching, the dragon shifter wonders why she risks coming into enemy territory. Yet the dark-eyed temptress shocks him even more with an outrageous demand: She wants him to help her have a baby.

After her mother's dragon line was annihilated by the Knights, Avani vows to continue her unique dragon breed-and the registries indicate that Griffin is the best candidate. Determined to mate, Avani plans to use her seductive beauty and powerful scent to entice Griffin. The big, strong Welsh man will make for a fitting partner . . . if he doesn't kill her first.

When they spar over the terms of her proposal, Griffin and Avani can't deny the intense, primal attraction they feel for each other. But as they become closer to creating a child, the lovers can hear danger encircle them as loud as the clapping of wings. The dragon slayers are coming . . .and they're gunning for Griffin, Avani, and the entire dragon race.

25,000 words.
