## Maserati All the Cars Gianni Cancellieri

Maserati turned 100 years old in 2014 - a century of history, graced by some of the world's greatest technicians, racing drivers, cars and victories. *MASERATI ALL THE CARS* is a 'catalogue' that celebrates the House of the Trident by bringing together almost all its production, from the Tipo 26 - the Grand Prix racer with which the Maserati brothers first became constructors back in 1926 - to current production cars like the GranTurismo, Quattroporte, Ghibli and the brand new Kubang. Between the two were road and racing cars that were true icons of automobile history. The first group includes, among others, the A6 1500, 3500 and 5000 GT, the Ghibli, Indy and Merak; the second the astounding 8CTF, the A6GCSs, the 250 F, the 'Birdcage' and the more recent MC12. The book includes 150 full color designs by illustrator Michele Leonello.
