McKuen's Revenge: A serial killer vigilante justice crime thriller (Control) (Volume 1) Andy King

A Thief is in for a Surprise When Steve McKuen's wife is threatened, his best friend's wife is kidnapped and a rare keepsake his soul mate left him is stolen, he has no choice but to track down his hidden enemy.

McKuen risks all to force his adversary to pay. Set in the gritty streets and bars of present-day Los Angeles, McKuen's Revenge is a crime thriller with a dash of romance. The first book of the Control series, it focuses on all the things that can go wrong when seeking revenge, including kidnapping and vigilante justice.

Interview The following interview with the author was conducted by the Central California Sun Times. Q -

What makes the Control series unique? A - The people in the book and variety of genres. The first book, McKuen's Revenge, is Part 1 of a massive novel, Control. I decided to offer the novel's parts as free books to introduce the characters to lovers of crime thrillers. Since I love reading mystery and thriller, private

detective, political thrillers, and serial killer novels, I'm producing these genres in one series. Each book in the series is based on a new lead character. The idea is to introduce and focus on each person, while at the same time driving the action forward, a real page-turner. Q - Do we have to read the books in any particular

order? A - Not really. I've designed each part's story so it stands alone, and you can read the books in any order. All of the story and subplot threads tie up in Book 5, but each book contains its own main plot that climaxes and resolves in that book of the series. If you do want to read them in order, I'd suggest following

the Book numbering sequence: 1 — McKuen's Revenge 2 — Coil's Cold Justice 3 — Annie's War 4 —

Carla's Mission 5 — Annihilation Q - Why should readers give these books a try? A - The Control series moves fast. They're crime thrillers which leave you wrung out and satisfied. The books contain kidnapping, serial killers, vigilante justice, smuggling, terrorism and cyber-crime. The series winds up with an ending

that rivals many horror novels. The good guys win, of course, but not without paying a life-changing price.

Add generous helpings of romance throughout, and you've got plots that twist and turn all the way to the

end. Q - Can readers get the whole series in one book? A - Absolutely. The novel Control is the five Books packaged together as one. Just take a look at my author page for more details, and a full list of available

titles. Q - Are there prequels or sequels available? A - Yes, the novels Illusion and The Greatest Game

feature the same people in the same locations. Illusion sets up Steve McKuen's story, and The Greatest Game sets up Charlotte Coil's. Annie McCarthy figures prominently in each of them. As I mentioned, please

see my author page for those books. Q - Anything you would like to add? A - Thanks for reading! Control
