The American Hiroshima: Iran's Plan for a Nuclear Attack on the United States Dr. Hugh Cort

Did You Know Iran is Planning a Nuclear Attack on America? Iran's Supreme Leader Khamenei and President Ahmadinejad have a fanatical religious belief that they can usher in the coming of their messiah, the "12th Imam", or "Mahdi", by killing millions of Americans and Israelis ("infidels") with nuclear bombs. Ahmadinejad has said this will happen very soon, and Iran has made a film about this, "The Coming (of the Mahdi) is Upon Us". They are like suicide bombers, and do not fear death or retaliation. They are going to detonate nuclear bombs in multiple American cities, bombs that have been smuggled through the Mexican border into America, and they will try to blame it on al Qaeda. Iran was assisting Osama bin Laden with his American Hiroshima plan, and now Iran has taken over the plan. Iran already has nuclear bombs acquired from several sources, and is soon, in the next few months, to also produce their own nuclear bombs at the formerly secret site at Fordo, near the Holy City of Qom, and also will very soon have nuclear tipped missiles. To learn more about Iran's plans for attack, and how you can prevent you and your family from getting fatal radiation sickness when the bombs go off, read this book, and also see our website, www.AFCPR.org. Also google "Iran's Mystery Flight to Venezuela/Fox News Video" and "Threat of Iran's Nuclear Ambitions/Fox News Video".
