Where the Rainbow Ends

Jameson Currier

Where the Rainbow Ends Jameson Currier

This powerful, compelling, and heartfelt first novel centers on Robbie Taylor, an optimistic and romantic young man who settles in New York City in 1978 with a circle of new friends. *Where the Rainbow Ends* follows Robbie through a personal odyssey into enlightenment, spanning a period of almost fifteen years, from the unabashed revelry of gay Manhattan through a quest for faith, family, and understanding as the AIDS epidemic tests him like a modern-day Job. Currier masterfully weaves an ardent story about the families that we create for ourselves, a story that is at once lyrical, poignant, and sexy.
