Archibald "Arch" Stan was a local cop in Midian, Tennessee that was good at his job, good at being a husband, and exceptionally good at hiding his disappointment at not being able to figure out what was missing in his life that made it all seem so empty. Lafayette Hendricks looked like a drifter, a broken-down hitchhiker blown through Midian on the prevailing winds. When Arch catches him in a fight on the town square, though, things start to get weird, fast, because the guy he's fighting doesn't die when he gets shot. And Hendricks is carrying a sword. Pretty soon, Arch's whole life is turned upside down by Hendricks's revelation that there's a secret world operating under the one he's been living in his whole life - one filled with demons, chaos, and unspeakable evils, one of which is already in town, stirring trouble. And if the two men don't band together to keep watch on the darkness falling on Midian, then this small town might just get swallowed up by the forces of evil - with the rest of the world to follow shortly behind.
