Hell's End (Hellscape) Ally Blue

Rebellion, war and survival. Love's a bitch.

Hellscape, Book 1

Tuck's a Gutter, one of a gang of violent orphans running level thirty-six of Hell's End, the solar system's outermost space station. There's only one way out of this brotherhood of blood—grow up and be killed and eaten by other Gutters.

Tuck barely escapes his death sentence, only to fall prey to the powerful L'arisian family. Rescue from a L'arisian whorehouse never happens, but rescued he is, and by Gov soldiers no less. Alone among the enemy, Tuck trusts only one person—the man who risked everything to pluck him to safety.

Ivan's a soldier. No more, no less. But the disquieting things he learns about the Government's plans for the Gutter kid have him doing the one thing a soldier shouldn't do. Think about doing what's right instead of what he's told. All for a guy he can't get out of his head.

Getting involved in a rebellion that might get them killed is a problem. Falling in love? That's a disaster in the making.

Warning: This book contains rebels, spies, soldiers, bad guys, love, sex, betrayal, fights to the death, and robot spiders. Really.

Jesus Moreno:

Reading a book for being new life style in this yr; every people loves to learn a book. When you go through a book you can get a great deal of benefit. When you read books, you can improve your knowledge, mainly because book has a lot of information into it. The information that you will get depend on what sorts of book that you have read. If you need to get information about your examine, you can read education books, but if you want to entertain yourself look for a fiction books, these kinds of us novel, comics, along with soon. The Hell's End (Hellscape) provide you with new experience in examining a book.

Derek Clancy:

As a scholar exactly feel bored to be able to reading. If their teacher questioned them to go to the library or make summary for some book, they are complained. Just little students that has reading's heart and soul or real their pastime. They just do what the professor want, like asked to go to the library. They go to presently there but nothing reading very seriously. Any students feel that reading through is not important, boring and can't see colorful pics on there. Yeah, it is to get complicated. Book is very important for yourself. As we know that on this period, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore , this Hell's End (Hellscape) can make you really feel more interested to read.
