Kiss Me Kill Me (Scarlett Wakefield Series) Lauren Henderson

When 16-year-old Scarlett Wakefield transfers from St. Tabby's to Wakefield Hall Collegiate, she is relieved that no one knows her dark, haunting secret. A few months ago, Scarlett was invited to an elite party with a guest list full of the hottest names in British society, including Dan McAndrew. Before the party, Scarlett had only imagined what it would be like to have her first kiss with Dan, but on the penthouse terrace, Dan leaned in close and she no longer had to wonder. Their kiss was beautiful and perfect and magical, and then . . . Dan McAndrew took his last breath as she held him in her arms. No one knows how or why Dan died, and everyone at St. Tabby's believes Scarlett had something to do with it. But now that she's safely hidden away at Wakefield Hall, Scarlett would rather forget that it ever happened. Only she can't. Especially when she receives an anonymous note that will set her on the path to clearing her name and finding out what really happened to the first and last boy she kissed.
