**Moonlight & Love Songs (The Le Chat Rouge Series) (Volume 2)** Alyssa Linn Palmer

When Le Chat Rouge's pianist, Benoît Grenier, meets the club's new singer, his world is turned upside down. He'd given up ever finding someone to love, and his hopes and dreams of a life beyond the club are revived.

Daniel Marceau has come from Marseille, looking to escape bad decisions and worse memories. He never expected to fall in love, and when his past catches up with him it could ruin the only thing he's ever found worth living for.

His reluctance to ask Benoît for help could cost them everything...

**"Gritty and romantic, Moonlight and Love Songs will steal your heart, sell it for drugs, and leave you with a song. It's dark and sexy, an unflinching portrayal of two soul mates discovering in each other the foundation upon which all love depends—hope." — Miranda Baker, author of the Come Again series**  
**"They call Paris "The City of Light", but Alyssa Linn Palmer reveals its darker side in Moonlight & Love Songs. She pulls no punches in this noir romance. Damaged people meet and fall in love, but some cravings are too powerful to resist, and sometimes love alone isn't enough to quell them. Classic jazz tunes and French chansons provide the soundtrack to a story that hits you in the gut and in the heart. You'll never see Paris the same way again." -- Cathy Pegau, author of Rulebreaker and Caught In Amber**
