The Control of Nature (Chinese Edition)

John McPhee

The Control of Nature (Chinese Edition) John McPhee

This book selects three regions to tell the process people fight with different natural disasters. It is written in vivid and understandable language, recording through reproducing the scene, objective observation, or excerpting real persons narrative. It expounds the process of disasters and the fact people struggle with natural disasters from different people, different perspectives, different purposes, revealing many natural laws, and various disaster prevention methods and ideas. In fact, it shows readers how to understand the laws to deal with natural disasters. It is not only science popularization, but also putting readers through the impact of a variety of attitudes and opinions of facing disasters, leading to deeper thinking.
