G.G. Maragh , Fitz Balintine Pettersburgh

The Royal Parchment Scroll of Black Supremacy and The Promised Key G.G. Maragh , Fitz Balintine Pettersburgh

This ebook version of the two books include The Royal Parchment Scroll of Black Supremacy and The Promised Key. Both books are a tremendous historical record within the Afrocentric, Rastafari, community. Each book is a must have for Ethnic studies in major institutions around the globe.

Royal Parchment Scroll of Black Supremacy published in 1926 by a proto-Rastafari preacher, Fitz Balintine Pettersburg, is of historical and religious significance to followers of the Rastafari movement. Along with The Holy Piby, it is today recognized as one of the root documents of Rastafari thought. It is a surrealistic stream-of-consciousness polemic against the white colonial power structure, a palimpsest of Afrocentric thought.

"The Promise Key is a Rastafari movement tract by Leonard P. Howell, a Jamaican preacher. Published around 1935 under Howell's Hindu pen name G.G. [for Gangun Guru] Maragh, meaning "teacher of famed wisdom", the tract bears some similarities to the Royal Parchment Scroll of Black Supremacy, without the stream-of-consciousness language, long opaque abbreviations, and repetition. Most significantly, the identities of 'King Alpha and Queen Omega' were transposed from Fitz Balintine Pettersburg and his wife as in the Royal Parchment Scroll, to Emperor Haile Selassie and Empress Menen Asfaw. This was one of the key innovations of the Howellites, and is today an article of faith of Rastafari." (Quote from wikipedia.org)
