The View From Kleoboulos

John Manuel

The View From Kleoboulos John Manuel

In this, John Manuel's first full-length novel after having written four very successful travel memoirs about Greece, he again takes the reader into the tiny whitewashed streets of the village of Lindos on the island of Rhodes. Dean and Alyson are two young people who come together in a bar one evening in their home city of Bath, Uk. Alyson's mother once worked with Brian, a musician who never quite "made it", but ends up playing guitar and singing in a Lindian Bar. Quite how Brian and Christine (Alyson's mother) come to have a devastating effect on their daughter's relationship with the man of her dreams will have you gripped, both with emotion and with intrigue. A real page-turner, the perfect holiday read, "The View From Kleoboulos" is Thomas Hardy for the 21st century. Sometimes the past comes back to haunt you, but occasionally it comes back to bite.
