What do you call a farm planted in the back of a pickup truck? This is the whimsical tale of young Rumsey Plumb, whose summer on Grandmum's farm takes an unexpected turn when a big storm threatens her prize-winning crops. With the help of four old ducks, Grandmum and Rumsey plant a garden-on-wheels and flee to higher ground in the big city-where another adventure awaits. Included with the book is a CD featuring Simon Beins' album of quirky songs inspired by the Truck Farm project, with special musical guest Jack Johnson, who also narrates a reading of the book as a bonus track.
