How do men react when they find out that they have married sluts, women who can't be satisfied by just one man? Would they kick out their wives, or get turned on? In Leslie Visits Family, her husband found out it wasn't really her family she visited. Rob couldn't marry because of Older Sluts! His mother asked him why he had not married yet. Could he really admit to her that it was because between her friends Dot and Beth, he realized he didn't want a good woman but slutty ones? This husband just found out there was something going on between Paula, Nick and Eddie. He proved there was, but could he confront her without letting her know just how much it turned him on? He and Sally have a good marriage, and then one night he found out she had serviced another man. He confronted her; she didn't lie about it. To her shock, he told her to arrange a date with Brad because it turned him on. It turned him on to see Sally, Brad and Glen. He had found out from his wife's friend, Lea, how it all began with Terry Blindfolded. Terry, his wife, came home one night drunk and found out she had taken another man. But boy did it turn him on! He was too lost in love to fully realize how a slut his wife Vonda was. She would joke about getting it on with other men, and it would always turn him on. She had also began having tattoos of small stars, one for each of the guy she did it with. The husband thought she was kidding, but when he found out that the stars were actually Vonda's Scoreboard, will he change his mind about his wife?
