Frequently portrayed as an era of brutality and chaos, this book reveals the reality behind the legendary warriors of the Dark Ages. It also uncovers the considerable art of warfare in this period, the high level of craftsmanship achieved in the manufacture of all forms of embellished helmets and swords. The book shows how the achievements of the Roman war machine survived throughout the Dark Ages until the time of the Normans. Dan Shadrake is the illustrator of "King Arthur - The True Story" by Graham Philips and Martin Keatman, and works on Robin Hood and the Holy Grail by the same authors. Susanna Shadrake is the author of the script for the video "Arthur Myth & Reality".
