## **Early Times in Texas; or, The Adventures of Jack Dobell** John C. Duval

In 1835, Texas offered young men like John C. Duval a chance for action and glory. That year he and his brother, Burr, the sons of a former governor of Florida, organized a volunteer company called the "Mustangs." Like Davy Crockett, they were fired up "to give the Texans a helping hand on the road to freedom" from Mexican rule. The first chapters of *Early Times in Texas* lead up to the Goliad Massacre on Palm Sunday 1836, in which Burr (referred to as Captain D—) was killed. John was luckier. After a hair-raising escape from Goliad, he wandered across the countryside, dodging the Mexicans and living by his wits.

The diary that Duval kept during these exciting months was the basis for *Early Times in Texas*, which was published more than fifty years later, in 1892. In the intervening years he was a Ranger known as "Texas John" and later was recognized as one of Texas's first men of letters, the author of *The Adventures of Big-Foot Wallace*
