Lippincott CoursePoint is the only integrated digital curriculum solution for nursing education. CoursePoint provides a completely integrated and adaptive experience, all geared to help students understand, retain, and apply their course knowledge and be prepared for practice. CoursePoint is structured in the way that students study, providing them the content exactly **where** and **when** they need it for a more effective learning experience. The powerful integration of adaptive learning, powered by prepU, with the premium digital course content provides a personalized learning experience that drives students to immediate remediation in their course content and allowing instructors and students assess their progress in real-time. The digital textbook is downloadable, so students will have perpetual access to this content.

978-1-4698-7311-4 Frandsen Lippincott CoursePoint for Abrams' Clinical Drug Therapy 10e (includes integrated access to the ebook and adaptive learning, powered by prepU)

This popular core nursing pharmacology textbook provides unique coverage of nursing interventions for drug therapy with related rationales. Highly praised for its organized and readable presentation, the text explains the "why" behind each nursing action, and emphasizes how drugs work differently in different patients. The 10th edition has a new fresh design and approach with an added focus on patient safety integrated into the text.
