Selene is thrust into the aftermath of Caedmon pack rivalry when determination to help her friend, Tamara, leads her to the foothills of the Virginia mountains. Her kindheartedness gets her into deep trouble when she finds herself kidnapped and held against her will. She's thrown behind bars with Nick, who has also been captured. Her fellow cellmate saves her from a sentence worse than death but now she is at his mercy...and Nick is no ordinary man. Under the façade of his commitment to protect her from evil hides a secret that shatters her faith in him.

Wolf shifter Nick knew his life would be forever changed when Alpha Devin Caedmon honors him by inducting him onto the Caedmon Council. With this responsibility, he's introduced to a web of pack politics and subject to threats. In the midst of being captured by a Pack enemy, he meets a tempting brazen beauty. Selene is not just any woman, and the wolf inside reminds Nick of this fact every time she's in his presence. She awakens raging passion within him, and he desires her like no other. But he's had the misfortune of being burned before. He must learn to forget how cunning a woman can be and decide if he can trust Selene with his heart. True love awaits in the path of danger, but will Selene and Nick let the chaos destroy their bond?
