Don't Tell My Husband: BWWM Romance Sapphire

Callie had always been giving and trusting, willing to do anything for her husband, Jared. From dropping out of college to pay for his education, to signing over her business to him, to even accepting his mistress, Megan.... But everyone has a breaking point.

Determined to gain her freedom, Callie reestablished her partnership with an old friend and went back to the job that started it all...the only work she was good at: an adult phone operator. She had her goal in sight until Waylan called her line and totally shook up her world.

After Waylan finds out her identity by accident, Callie has a choice: have her husband, Jared, find out about her late night occupation, or take Waylan up on his offer to spend a week full of erotic fantasies with him. But a lot can happen in seven days....

Will Callie drop her no good, cheating husband for the opportunity to get freaky with Waylan or continue to be the "good wife" and endure Jared's adulterous ways?
