Fifty Shades of Brains B. F. Dealeo

SEX. ZOMBIES. REALLY ANNOYING PRESENT TENSE NARRATION. When Survival School student Aurora Foyle interviews Seattle's premiere zombie hunter, Caligula Green, she encounters a man who is intense, intelligent and incredibly perverse... and not in a good way. She falls for him nonetheless and agrees to become his apprentice in order to remain at his side (or better yet, on his lap). Unfortunately, as the controlling, charismatic Green starts to train Aurora in the fine art of offing the undead, she discovers the zombie apocalypse has affected her lover far more than she imagined. In fact, the guy may have gone slightly insane -- something that may happen to her if she's not careful. Dark, droll and delightfully depraved, *Fifty Shades of Brains* will amuse you, disgust you, and it just might eat your face.
