## **Just a Kid from Brooklyn: A Memoir** Henry Aimer Harrison III

"Just a Kid from Brooklyn" was initially written to provide my children and their children with a family history before it was forever lost. I also wanted to leave behind a smooth glide path through life for generations not yet born. This is my story, but it may be everyman's story. It is a story about meeting head-on the challenges and struggles that we face every day and the choices that we make when we are faced with them. Some people use adversity as an excuse for failure-always the victim. For others, failure is an opportunity to try again; you always have another chance. My story is meant to inspire readers to exercise their inalienable right to the "pursuit of happiness," as cited in the Declaration of Independence, whether it's discovery, adventure, achievement, or even money.
