## **Just Walking The Dead (Supernature Book 2)** Edwin James

For fans of THE WALKING DEAD and Stephen King, JUST WALKING THE DEAD is a 15,000 word novella continuing the Supernature series started in SHOT THROUGH THE HEART.

Séan Avartagh — esoteric bookseller and two-hundred year old vampire — is once again called upon to investigate mysterious events in the Scottish Highlands. But when his worst fears are confirmed, a shocking discovery tears the team of deadwalkers apart. Séan must lead them through a crisis which puts them all in danger — and threatens the rest of us.

Suspenseful and tense, JUST WALKING THE DEAD shows the human and inhuman sides of the people protecting us from the walking dead.
