The Faust-Legend and Goethe's 'Faust' H. B. Cotterill

"[...] And first, we shall see our way more clearly if we consider what is really the nature of that magic, or black art, which played such an important part in the medieval imagination. Perhaps we may say that by 'magic' was denoted that art by which one was supposed to gain a knowledge of, and a power over, the prime elements of Nature and its cosmic potencies, so as to be able to combine and use them independently of natural laws. It is this power that Faust in [...]"
