It's All About Rainbows Jasmine Renner

Children like it simple, powerful and yet compelling, don't they? The "spirit" of this book makes a vivid illustration of how suddenly, un-expectantly and beautiful a "rainbow" in the skies can be for a kid, just after a storm. The narrative is simple, powerful yet compelling from the lens of a child. "Its All About Rainbows" is a fun-filled and heart-warming story about rainbows appearing after severe storms. It is written by Daniel Renner to depict feelings of stormy days with his momma's numerous travels (on assignment), but afterwards he experiences great JOY, HAPPINESS AND BEAUTY right after the storm. To crown it all a beautiful multi-colored rainbow appears in the sky, making it all worth-while. All throughout the narrative valuable lessons of determination, courage and persistence for kids are depicted.
