For more than a decade, Peter Hince worked alongside one of the greatest bands in the history of rock, touring the world and heading up their road crew. Here he recalls the highlights of those years. He was with Freddie Mercury when he composed "Crazy Little Thing Called Love;" he made sure that Freddie's stage performances went without a hitch; and he was often there to witness Freddie's famed tantrums. He was also party to the sex, drugs, and rock and roll. Packed with Peter's own photos, including never-before-seen shots of Freddie and his female lover Mary, this warm and witty book is a must-read for any Queen fan.
