In this long-awaited, graphically intense exploration of seduction, romance, and erotic fantasy, no taboos are put on shared pleasure or the imagination of desire. Lonnie Barbach, a highly regarded professional in the field of sexuality and relationships, has collected 22 erotic and arousing stories written by both men and women. In her commentaries, Barbach examines the strong connection between men's sexual response and visual stimuli, contrasted with the importance of foreplay and mental seduction for women, and offers advice on how to use particular stories as a starting point for sexual encounters.
