Ansel Adams

Kate F. Jennings

Ansel Adams Kate F. Jennings

Perhaps the most famous of all American photographers, Ansel Adams won fame for his sharp and poetic images of the western landscape. View a selection of his finest photographs, and enjoy an insightful text that captures the man as both an artist and a conservationist. Although Adams was a master of photographic technology, what makes his bold and dynamic pictures so powerful is his passion for nature and the Western panoramas. In elegant, subtle black-and-white he captured the grace and simplicity of pueblo life; the overwhelming magnificence of the Grand Tetons; the incomparable beauty of Yellowstone Park, where Adams once worked as a custodian for the Sierra Club; the remarkable, almost sculptural plants in Saguaro National Monument; and the awe-inspiring achievement that was Boulder Dam. A beautiful volume to treasure forever.
