Darwin's Plantation: Evolution's Racist Roots Ken Ham, A. Charles Ware

Join Answers in Genesis president Ken Ham and president of Crossroads Bible College Dr Charles Ware as they examine the racist historical roots of evolutionary thought and what the Bible has to say about this disturbing issue. This fascinating book gives a thorough history of the effect of evolution on the history of the United States, including slavery and the civil rights movement, and goes beyond to show the global harvest of death and tragedy which stems from Darwin's controversial theories. You will also learn what the Christian's view of racism should be and what the Bible has to say about it in a compassionate and uniquely compelling perspective.
