The Companion to Impossible: The Original Trilogy (Monster, Traitor, and Avenger). Get the story from Sean's point of view!

My captive is beautiful, cunning, and defiant. The alluring combination pleases the monster in me. I want to conquer that defiance and take possession of her beauty. I crave to claim her innocence and keep it for myself.

But the man I am knows nothing could be more wrong. I have to decide which is stronger: the monster or the man? Either way, one thing's for certain. I'm never letting her go.

This is a re-telling of the events in Impossible: The Original Trilogy from Sean's point of view. It includes the books Angel, Deceiver, and Redeemer. You can read this before or after the Original Trilogy and follow the story line.

Note: This book contains scorching scenes of BDSM!
