Legal Affairs - Objection

One year ago, I graduated from law school and embarked on a career as a purveyor of high priced legal shenanigans.

Six months ago, my boyfriend dumped me when I thought he might be proposing.

Two weeks ago, I got drunk and joined a secret sex club.

Two days ago, I had a torrid one-night stand with a stranger.

Today? Well, today I'm contemplating having an affair with my boss.

Matt Connover is all kinds of forbidden temptation wrapped up in a deliciously wicked package, and he's made it clear... he's only interested in sex.

My name is McKayla Dawson but everyone calls me Mac. I work at the powerhouse firm of Connover & Crown, LLP, where the law has never felt so hot.

But between you and me, I'm afraid my heart won't survive these Legal Affairs.

Legal Affairs - Stipulation

I crossed a line with my boss and there's no taking it back.

Not that I'd want to.

You see... Matt Connover? Well, he's something else. Strong, magnetic, sexy as hell... but yeah, he's still my boss.

What am I doing? Why is he so irresistible to me?

Maybe it's because I finally saw a different side to him. I saw, for a brief moment, that Matt is vulnerable, possibly damaged. Is it wrong that it makes him even sexier in my opinion?

I'm in deep and I don't see any way out.

I don't want to find a way out.

I want to find a way for both of us to stay involved in these Legal Affairs.

Legal Affairs - Violation

My life is in a tail-spin and I'm about ready to crash.

I've cut Matt Connover out of my life... well, at least out of my bedroom.

But I still have to deal with him at work. I have Lorraine intent on raining hell and destruction down upon me, which at least provides a nice diversion from my miserable feelings over Matt.

About the only good thing that has happened to me lately?

Cal Carson asked me out... and I accepted.

Matt's not going to like that. Not one little bit.

But that's not my problem now, is it?

#### Legal Affairs - Mitigation

I've seen a new side to Matt Connover. He's proven to me that there is something inside him other than icy control and masculine force.

I've seen care... tenderness... even protectiveness.

I've seen vulnerability.

But Matt Connover's issues run deep. I know Cal hurt him greatly, and he keeps himself protected because of that. I also sense there is something more to his pain that even I cannot comprehend.

Matt is struggling between what he knows and what he wants.

I'm struggling with boundaries and how to protect my own fragile heart.

This time I'm drawing a line in the sand and Matt can either step over to join me, or these Legal Affairs are finished forever.

#### Legal Affairs - Reparation

Matt Connover is like a new person. Caring, romantic and thoughtful. No worries though... he's still sexy as hell.

He has changed in every way that I have ever dreamed of, and he did it because he wants me. It's like a fairy tale of sorts.

Except... like with every fairy tale, there is a villain. One who threatens to disrupt the harmony we have created together.

Is what we have strong enough to survive? I truly believe that perhaps I can find love within these Legal Affairs. I'm just not sure Matt believes it.

#### Legal Affairs - Affirmation

Things are off, and I can't quite put my finger on it. Some things, however, are the same. For example, the sex with Matt is just as nuclear and consistent as it always has been.

Still... I feel like I'm holding onto Matt with my fingertips, like he's on the verge of slipping away and I don't know what to do.

When I started these Legal Affairs, I had no way of knowing the depth of feeling that would become involved. I had no way of knowing this man could shatter my existence.

I don't want to be hurt, so I'm grasping hard and I can only hope that he wants me enough to hang on just as tight.
