ME, MIA, MULTIPLE Debashish Irengbam

Killing yourself should be easy, right? Pop a few sleeping pills, lie on a railway track and let the train do the rest of the work. Neat, swift, painless. Yet dramatic. What could possibly go wrong with Jeevan Raikar's plan? Well, this: a girls' night out happening at the graveyard next door, starring a vodka-swilling blackmailer and her dead mother. And so, Jeevan - who ought to be dead by now, mind you - is stuck with bubbly Mia, raging Tanya and sensuous Alisha. Which might seem like an enviable situation to be in, but for one tiny catch. They are all the same person. Me, Mia, Multiple is a debut that cares little for convention: a romance with a twist, a twisted romance, a romantic twister. Whatever you want to call it, you'll tear through it with sheer pleasure.
