In the adventure of a lifetime, he is thrust into the cauldron of war. Intensive training is followed by the harrowing experiences of deadly missions over Nazi Germany. Despite the demands of his duties, romance flourishes in wartime London, where he finds the woman of his dreams. A nighttime bombing raid on his base threatens the B-17s and the personnel of his 390th Bombardment Group. He is then caught up in the events that follow, creating a gripping picture of the crescendo of the air war that crippled much of Germany's industry, leading to the final defeat of the Nazi war machine.
