Abounding Grace 2002 Day-To-Day Calendar M. Scott Peck, Andrews McMeel Publishing

M. Scott Peck, M.D., penned what could be considered the most successful self-help book ever written. The Road Less Traveled spent more than ten years on the New York Times best-seller list, and six million copies have been sold to date in North America alone. Now, Peck has donned an editor's hat for the first time and compiled an elegant collection of his favorite quotations about virtue in the book, Abounding Grace: An Anthology of Wisdom. Called by Amazon.com "one of the best sources of spirituality minded quotes available," this treasury has been transformed into a very special calendar. The Abounding Grace 2002 Calendar includes some of the book's pithiest quotes as well as Peck's commentary on such topics as compassion, courage, and perseverance. On courage he writes: "As far as I am concerned, the total absence of fear suggests some sort of brain damage." And to reiterate his point, he quotes Eddie Rickenbacker, America's top flying ace in WW I: "There can be no courage unless you're scared." Each page of this inspiring calendar encourages us to think, which Peck considers to be the "most virtuous activity of all."
