" I'm going to exam you," he said. "Now Take a deep Breath."

Jennifer and Todd had just broken up..And although there was some make up sex involved she is definitely not ready to get pregnant...

which is why she's sitting in the waiting room at the Women's Health clinic late on a friday evening...

But when the handsome Dr. Walsh walks in, Jennifer has to remind herself to shut her mouth, because he was nothing like she expected.

First of all, he was a man. She had never visited a man gyno before, and the thought was not comforting. Combined with the fact

that he had to be one of the hottest men she had ever laid eyes on. From his broad shoulders that seemed to stretch the white fabric

of his lab coat, to his chest which he obviously worked on from the shape she could see beneath his shirt to his deep warm chocolate

eyes. Jennifer felt warm, and realized that there was a sudden feeling "down there" and instantly looked away.....
