## **Niagara Falls 2015 Square 12x12 Wyman** Browntrout Publishers

These falls were formed about 12,000 years ago when the glaciers departed leaving the great lakes. The waters of Lake Erie ran downhill over the Niagara Escarpment to Lake Ontario carving out a fast flowing river and picturesque gorge. The river flows over two falls on its path from lake to lake creating both the Horseshoe (Canadian) and American Falls. Awe-inspiring to behold, both falls have attracted adventurers and tourists for centuries. This calendar celebrates the beauty of the Niagara River Gorge and two falls. Enjoy 13 lovely shots of Niagara Falls throughout 2015. All our wall calendars are printed on FSC certified paper, and are 12 inches square closed, 12 by 24 inches open.
