Sky Hostess: A Year in the Life of Mia (Volume 2) R.J. Kenzie

Fasten your seatbelts for one hilariously wild and bumpy ride. Twenty-five year old, Mia Madison, is the blonde bombshell of the skies. Employed as a flight attendant and working part-time as a member of an underground escort service, Sky Hostess, she is raking in the big bucks. Living life on the edge with her two best friends, level-headed, yet unpredictable, Koko, and crazy and violent, foul-mouthed, Kiylo, there isn't anything they won't do to fatten their bank accounts. That is, until, Mia has a chance encounter with the man of her dreams, sexy Italian, Caden Giordano, with whom she falls recklessly in love. Not only does it turn her life upside down, but her best friends are along for the ride. Bad decisions, outlandish behavior, and blood splattered fights, are just a few things that prevent Mia from acquiring her dream home on the beach AND her Italian Stallion, but she remains determined. Her arrogance, lies, deceit, profanity, and cringe worthy behavior, may cost her the chance to be loved by the man of her dreams when she is faced with thought provoking decisions that not only turn her life upside down, but also turns it around, but is it for the better? Sit back, buckle up, and prepare yourself for an outrageous, erotic, humorous, and foul mouthed ride.

From reader reviews:

Edmund Hillman:

Nowadays reading books be than want or need but also be a life style. This reading behavior give you lot of advantages. Associate programs you got of course the knowledge the particular information inside the book in which improve your knowledge and information. The details you get based on what kind of publication you read, if you want attract knowledge just go with training books but if you want feel happy read one along with theme for entertaining including comic or novel. Often the Sky Hostess: A Year in the Life of Mia (Volume 2) is kind of reserve which is giving the reader unstable experience.

Stanley Rivas:

Is it you actually who having spare time in that case spend it whole day by means of watching television programs or just telling lies on the bed? Do you need something totally new? This Sky Hostess: A Year in the Life of Mia (Volume 2) can be the respond to, oh how comes? It's a book you know. You are thus out of date, spending your time by reading in this completely new era is common not a geek activity. So what these books have than the others?

Robert Journey:

Don't be worry when you are afraid that this book will certainly filled the space in your house, you might have it in e-book technique, more simple and reachable. This Sky Hostess: A Year in the Life of Mia (Volume 2) can give you a lot of pals because by you considering this one book you have matter that they don't and make an individual more like an interesting person. This specific book can be one of one step for you to get success. This guide offer you information that probably your friend doesn't learn, by knowing more than various other make you to be great people. So , why hesitate? Let me have Sky Hostess: A Year in the Life of Mia (Volume 2).

Gary Games:

As a university student exactly feel bored in order to reading. If their teacher asked them to go to the library or make summary for some reserve, they are complained. Just little students that has reading's heart or real their leisure activity. They just do what the educator want, like asked to the library. They go to generally there but nothing reading really. Any students feel that looking at is not important, boring along with can't see colorful images on there. Yeah, it is to become complicated. Book is very important for you personally. As we know that on this age, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. So , this Sky Hostess: A Year in the Life of Mia (Volume 2) can make you sense more interested to read.
