Answers to how, why, and where to set up offshore business arrangements that secure assets and personal privacy are revealed in this guide to tax havens. Individuals will learn why more than 50 percent of global wealth is safely deposited with offshore banks, trust companies, and investment firms. International Business Companies are discussed at length, as are secrecy laws, trusts, and recommendations regarding countries and financial institutions in which to carry on banking and investment trading. Investors will learn how taking control of their financial destiny may involve the use of a tax haven.
