The Waste Land (Liveright Classics)

T. S. Eliot

The Waste Land (Liveright Classics) T. S. Eliot

The first edition of T. S. Eliot's masterpiece reappears with a major introduction by Pulitzer Prize-winner Paul Muldoon.

The Waste Land is arguably the most important poem of the twentieth century. First published in the United States by Boni & Liveright in 1922, this landmark reissue of the first edition, now back with its original publisher, includes a new introduction by Paul Muldoon, showcasing the poem's searing power and strange, jarring beauty. With a modernist design that matches the original, this edition allows contemporary readers to experience the poem the way readers would have seen it for the first time.

As Muldoon writes, "It's almost impossible to think of a world in which *The Waste Land* did not exist. So profound has its influence been not only on twentieth-century poetry but on how we've come to view the century as a whole, the poem itself risks being taken for granted." Famously elliptical, wildly allusive, at once transcendent and bleak, *The Waste Land* defined modernity after the First World War, forever transforming our understanding of ourselves, the broken world we live in, and the literature that was meant to make sense of it. In a voice that is arch, ironic, almost ebullient, and yet world-weary and tragic, T. S. Eliot mixes and remixes, drawing on a cast of ghosts to create a new literature for a new world. In the words of Edmund Wilson, "Eliot...is one of our only authentic poets...[*The Waste Land* is] one triumph after another."

This book will be handy, you can bring it just about everywhere and whenever your conditions throughout the e-book and printed people. Beside that this The Waste Land (Liveright Classics) forcing you to have an enormous of experience such as rich vocabulary, giving you trial run of critical thinking that we all know it useful in your day exercise. So , let's have it and luxuriate in reading.

Lindsay Washington:

As a pupil exactly feel bored to help reading. If their teacher inquired them to go to the library as well as to make summary for some book, they are complained. Just very little students that has reading's internal or real their pastime. They just do what the instructor want, like asked to the library. They go to presently there but nothing reading very seriously. Any students feel that looking at is not important, boring in addition to can't see colorful photos on there. Yeah, it is to become complicated. Book is very important for you personally. As we know that on this period, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. Therefore this The Waste Land (Liveright Classics) can make you truly feel more interested to read.
