The heavy metal band, Warlord, is in need of a new guitarist. Only one applicant stands out - a jewel in the very rough - Torrin Smith. She has the ability to make her guitar sing her soul - a sinister and shattered cry.

Sonny Middlestead, little sister to a member of the band, is making her way through high school in accelerated learning classes. Her days are filled with education, her nights with rock and roll. An aspiring journalist, she spends a good deal of her free time writing in her diary.

The two meet - dark and light, anger and love - with both disastrous and remarkable potential. Will Torrin be swept away by her substance abuse, unable to release her fury or accept the brightness of another's heart? Can Sonny find a way to heal a broken childhood, to make up for a lifetime of injustice and hate?

Only time will tell.
