## The SBC & the 21st Century: Reflections, Renewal & Recommitments

The Southern Baptist Convention is currently facing issues that challenge its identity, heritage, and future. In *The SBC and the 21st Century*, key leaders—including Jason Allen, Frank Page, Ronnie Floyd, Thom Rainer, Albert Mohler, Paige Patterson, David Platt, and Danny Akin—address critical issues such as:

- Will the SBC grow more unified around shared convictions and mission or will it fragment over secondary concerns and tertiary doctrinal differences?
- Will the SBC be able to maintain a distinct Baptist identity while engaging and partnering with the broader evangelical community?
- Will the SBC be willing to reimagine its structures, programs, and efforts to effectively reach the world for Christ or will it risk being a past-tense denomination?

This volume not only promotes meaningful dialogue, it calls leaders throughout the SBC into action. Extensive thought, research, assessment, and wisdom from some of the SBC's brightest minds have been poured into this volume with the intent of rendering a helpful contribution to SBC life that will propel forward the collective work of Southern Baptists well into the 21st century.
