Camp Rewind Meghan O'Brien

Alice Wu is at Camp Rewind only because her therapist thinks it'll help her overcome the social anxiety she's battled since childhood. She's not sure she believes that theory, but will try anything to make a real friend. A casual fling would also be nice, but she's not holding her breath.

Rosa Salazar hopes camp will be an escape from a life permanently altered. Eviscerated online for her feminist critique of a popular video game, Rosa has endured months of anonymous threats over social media, doxxing, and, worst of all, the posting of graphic, sexually explicit material stolen from her cloud storage—including a dirty video she made for an ex. Using a fake name, she enrolls in camp craving a return to a simpler time, before the shame.

Alice and Rosa soon discover that at Camp Rewind, anything is possible. Even an unlikely friendship that swiftly becomes something more.
