## Spark Holly Schindler

Acclaimed author Holly Schindler writes a compelling contemporary tale with a dash of magic. The theater comes to life in this story of family ties, fate, love, and one girl's quest to rewrite history.

The local Avery Theater was just a run-down building to Quin—until her mother told her about the tragic love that played out on the theater's stage many years ago. Quin is convinced it's the perfect story to re-create for her drama class. And when she does, the Avery begins to magically regain its former splendor, clearly setting the stage for her classmates Dylan and Cass to relive the romance from a time before. Quin can see the spark between them, but it's up to her to make sure her friends—and the Avery—can both be saved this time around.
