## **So why does leadership suck?**

It sucks because real leadership is hard, requires selfless service, and because the buck stops here. - Part 2: Do what's best for your organization. Discusses various aspects of organizational leadership and culture
- Part 3: Humility 101. Leadership principles of self-examination, apologies, authenticity, controlling and displaying emotions, and handling adversity are examined.
- Part 4: Specific management situations, focusing on business leadership competencies.
