This is a reproduction, not a photocopy, of a Craftsman 12-inch Band Saws Models 113.24810, 113.248320, 113.248440, & 113.248510 Owners Manual. This manual contains information on setting up these band saws, operating instructions, making adjustments, replacing the blade, installing the sanding attachment, trouble shooting guide, and more. It also contains a complete set of exploded view diagrams of all the parts with parts list.

Overview:

I have collected this information for many years and have found the information they contain to be priceless in using and setting up the machines properly. I believe this manual will be a valuable resource of knowledge that will provide a lot of helpful information that is often hard to find. My manuals are not photocopies. I maintain a high standard of quality in my reproductions. Most of the manuals I reproduce look better than their originals. I have professionally digitally edited every page, and removed stains, wrinkles and handwriting. All of the manuals are printed on thick white paper to withstand shop wear and tear.
